|  | CRODA Polymer Additives | ferrobrom [®] |  |
| SIP SWISS Industrial Promotion sa | ferroblack [®] | METAFLAKE <small>SPECIALISTS IN ALUMINIUM PIGMENTS</small> |  |
| ferroflam | colormaster _{SERVICE} |  | BLUESTAR |

Products range

- ▶ Masterbatches
- ▶ Additives
- ▶ Conductive Compounds
- ▶ PETG and PCTG Resin
- ▶ TPE-E & TPU Elastomers

Our products meet the needs of...

- ▶ Packaging
- ▶ Wire & Cable industry
- ▶ Cosmetic (bottles)
- ▶ Agricultural
- ▶ Compounding
- ▶ Pipes & Profiles
- ▶ General extrusion
- ▶ Fibers
- ▶ Sheets
- ▶ Foams
- ▶ Closures
- ▶ Automotive
- ▶ Containers and crates
- ▶ General injection moulding

**FERRO-PLAST is a highly
specialized distributor
in the following
applications...**

BLACK TECHNICAL MASTERBATCHES

- ▶ For engineering applications
- ▶ For special films
- ▶ For pipes and sheets
- ▶ For PP, PA6, PET fibers

FLAME RETARDANT MASTERBATCHES

- ▶ For engineering applications
- ▶ For special films
- ▶ For pipes and sheets
- ▶ For PP, PA6, PET fibers

FREE OF CHARGE ANTISTATICS

- ▶ **Antistatic** agents and masterbatches
- ▶ **Dissipative** masterbatches
- ▶ **Conductive** masterbatches
- ▶ **Conductive** compounds
- ▶ **Emi-Shielding** masterbatches

SLIP & LUBRICANTS

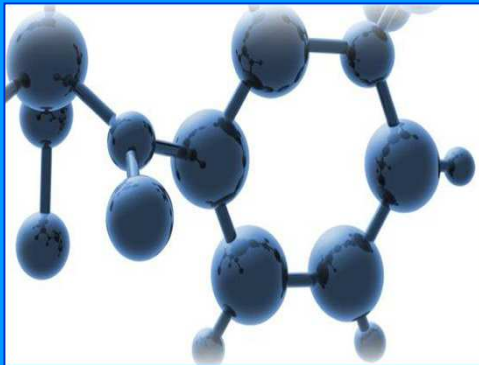

- ▶ **Slip** agents and masterbatches
- ▶ **Lubricant** agents and masterbatches
- ▶ **Release** agents and masterbatches
- ▶ **Denestening** agents and masterbatches

CHEMICAL BLOWING AGENTS

- ▶ Endothermic blowing agents
- ▶ Exothermic blowing agents
- ▶ Microspheres blowing agents
- ▶ Nucleating agents for XPS

ORGANIC PEROXIDES MASTERBATCHES

- ▶ For higher MFI of PP compound
- ▶ For Crosslinking of PE and EVA
- ▶ For EVA encapsulated films for Solar Cell applications

CLING MASTERBATCHES

- ▶ **Cling** masterbatches for food wrap film
- ▶ **Cling** masterbatches for stretch film
- ▶ Tackifier masterbatch for **silage film**

ALUMINIUM PIGMENTS AND PASTES

▶ PELLEX™

Glitter, sparkling and lustre silver masterbatches colour

▶ SILVER™

Odour and solvent free aluminium pastes to produce silver colour masterbatches and compounds

COLOUR MASTERBATCHES

- ▶ Mono-pigment Colours for films & fibers
- ▶ RAL Colours for PVC-TPU-PBT-EVA cables
- ▶ Tailor made colours produced in Italy by **ColorMaster Service** for injection and extrusion

POLYESTER RESINS & ELASTOMERS

- ▶ **Skygreen PETG**
Transparent Resin
- ▶ **Skygreen PCTG**
Transparent Resin
- ▶ **Skypet BR PET**
Transparent Resin
- ▶ **Skypel TPE-E**
Co-polyester Elastomer

Thank you for your kind attention
